SUBJECT INDEX

A

ABDOMEN
injury from safety belt (tip), April, 1957, p. 129
ACCESSORY NERVE INJURY (tip), June, 1957, p. 121
ACCIDENTS: See Automobile
ACROPARESTHESIAS, differential diagnosis of *(Brain), April, 1957, p. 94
ACTINOMYCOSIS
pulmonary *(Katz), January, 1957, p. 95
ADOLESCENCE
continuity of health care (ed), April, 1957, p. 70
ADRENAL GLANDS
failure, postoperative, treatment (info pl), January, 1957, p. 120
ALCOHOLISM
treatment in general hospitals, a dual responsibility (ed), February, 1957, p. 71
ALLERGY
allergic reaction to the Salk poliomyelitis vaccine *(Lipman), February, 1957, p. 94
underlying mechanism of *(Peters), January, 1957, p. 86
AMERICAN ACADEMY OF GENERAL PRACTICE
Constitution and By-Laws
amendments proposed, notice of, February, 1957, p. 217
President's Message
greetings from the President (Phelps), April, 1957, p. 168
AMERICAN MEDICAL ASSOCIATION
paradox and irony (ed), June, 1957, p. 72
AMMONIA in transfused blood (tip), May, 1957, p. 131
AMPUTATION
treatment of large nerves (tip), January, 1957, p. 118
ANEMIA, COOLEY'S: See Thallasemia
ANEMIA due to vitamin D intoxication (tip), June, 1957, p. 126
ANEMIA, HEMOLYTIC, acquired (tip), February, 1957, p. 141
ANEMIA, MEDITERRANEAN: See Thallasemia
ANEMIA, PERNICIOUS
blood group A in (tip), March, 1957, p. 136
diagnosis of (tip), January, 1957, p. 109
ANEMIA, SICKLE CELL
splenic infarction in sickle cell-C disease (tip), May, 1957, p. 129
ANESTHESIA, SPINAL, neurologic disease after (tip), June, 1957, p. 129
ANEURYSM, hepatic artery (tip), February, 1957, p. 141
ANGINA PECTORIS: See Arteries Coronary
ANKLE injuries, treatment of *(Cave), March, 1957, p. 85
ANTHRAX BACILLUS in healthy mill workers (tip), May, 1957, p. 127
ANTIBIOTICS: See also under specific names
bacterial pharyngitis and *(Jackson), March, 1957, p. 75
bacterial sensitivity to (tip), February, 1957, p. 140
current concepts of antimicrobial therapy *(Yow), January, 1957, p. 103
two-edged sword (ed), January, 1957, p. 70
ANTICOAGULANTS: See also Heparin
in cerebrovascular disease (tip), February, 1957, p. 139
ANUS: See also Rectum
fissure, treatment (tip), April, 1957, p. 131

AORTA
aneurysm, dissecting *(Warren & Hurst), March, 1957, p. 82
aortic arch syndrome, murmurs in (tip), February, 1957, p. 144
surgery, neurologic complications of (tip), March, 1957, p. 144
AORTOGRAPHY, risks of (tip), April, 1957, p. 130
APPENDICITIS
acute appendicitis secondary to carcinoma of the cecum *(Gary & Markgraf), January, 1957, p. 100
APPENDIX
adenocarcinoma (tip), March, 1957, p. 140
ARTERIES
suturing, mechanical (tip), April, 1957, p. 130
ARTERIES, CEREBRAL: See also Hemiplegia
disease, anticoagulant drugs in (tip), February, 1957, p. 139
ARTERIES, CORONARY
angina pectoris, rauwolfia for (tip), April, 1957, p. 123
Disease, treatment surgical
Beck operation to improve the coronary circulation *(Selman), January, 1957, p. 81
use of talc in pericardium (info pl), April, 1957, p. 119
Myocardial Infarction
death from (tip), March, 1957, p. 143
meaning of (info pl), June, 1957, p. 119
"overnight" and (tip), March, 1957, p. 136
ARTERIES, PERIPHERAL
by-pass homografts in arterial occlusion (tip), February, 1957, p. 140
intermittent claudication, treatment, Arlidin (tip), March, 1957, p. 137
ARTERIOSCLEROSIS
infantile (tip), February, 1957, p. 138
lipid (plasma) mobilizing factor (tip), April, 1957, p. 132
sitosterol in hypercholesteremia (tip), February, 1957, p. 144
treatment, estrogen (tip), April, 1957, p. 128
ARTERIOVENOUS FISTULA, pulmonary: See Lungs
ARTERITIS, CRANIAL (tip), June, 1957, p. 126
ARTERY, HEPATIC, aneurysm of (tip), February, 1957, p. 141
ARTHRITIS, DEGENERATIVE: See Arthritis, Rheumatoid
ARTHRITIS, RHEUMATOID
activity of (tip), January, 1957, p. 114
activity of, morning stiffness and (tip), February, 1957, p. 137
therapy (tip), April, 1957, p. 131
ATABRINE, uses of (info pl), February, 1957, p. 135
ATARACTIC DRUGS: See also under individual drugs
serenity without somnolence *(Stevenson), March, 1957, p. 95
tranquilizing (ataractic) agents: current evaluation of their clinical use in patients who are not hospitalized *(Moyer, Pevey & Kinross-Wright), June, 1957, p. 96
ATOM BOMB
prospect for mutation (ed), January, 1957, p. 73
AUTOMOBILE
be enthusiastic (ed), February, 1957, p. 72
traffic safety: the doctor's role—part I (Lamme), January, 1957, p. 123
traffic safety: the doctor's role—part II (Lamme), February, 1957, p. 151

B

BAT BITE, dangers of (tip), April, 1957, p. 132
BEE VENOM desensitization (info pl), April, 1957, p. 120
BICHLORACETIC ACID, uses of (info pl), February, 1957, p. 136
BIOFLAVONOIDS, uselessness for common colds (ed), June, 1957, p. 69
BLADDER, URINARY
cancer, smoking and (tip), May, 1957, p. 130
BLASTOMYCOSIS, osseous (tip), February, 1957, p. 145
BLOOD CLOTTING
hemorrhagic disorders of pregnancy and parturition *(Ratnoff), January, 1957, p. 88
BLOOD GROUP
blood group A in pernicious anemia (tip), March, 1957, p. 136
pituitary tumor (tip), April, 1957, p. 125
BLOOD PRESSURE: See also Hypertension, Arterial
"mean" arterial pressure *(Rose), April, 1957, p. 80
measurement, a tight blood pressure cuff (tip), March, 1957, p. 137
BLOOD TRANSFUSION
ammonia in transfused blood (tip), May, 1957, p. 131
BONES
blastomycosis of (tip), February, 1957, p. 145
fungus disease of (tip), January, 1957, p. 113
BREAST
cancer and pregnancy (tip), February, 1957, p. 146
cancer, bilateral (tip), June, 1957, p. 121
cancer, hypophysectomy in advanced cases (tip), June, 1957, p. 132
cancer, menopause, and marital status (tip), March, 1957, p. 139
BRITISH NATIONAL HEALTH SERVICE
winners lose, the (ed), February, 1957, p. 72

BRONCHOGRAPHY
Dionosil in (tip), May, 1957, p. 131
BRONCHUS
bronchial adenoma *(Katz), June, 1957, p. 95

C

CALCIFICATIONS, eggshell, intra-abdominal (tip), June, 1957, p. 124
CANCER: See also under organ or region affected
early detection of cancer (ed), (Clark, W. K.), April, 1957, p. 72
is cancer a deficiency disease? *(Erf & Miller), April, 1957, p. 75
regression, spontaneous (tip), February, 1957, p. 142
CARCINOID
test for carcinoid syndrome (tip), February, 1957, p. 139
CASUALTIES, MASS
a matter of choice (ed), June, 1957, p. 72
CAT BITE, dangers of (tip), May, 1957, p. 132
CECUM
carcinoma, acute appendicitis secondary to *(Gary & Markgraf), January, 1957, p. 100
CHEST PAIN
prolonged, due to costochondritis (Tietze's syndrome) (info pl), February, 1957, p. 136
CHICKENPOX
is it smallpox? *(Rogers & Harmuth), June, 1957, p. 91
pneumonia, primary (tip), February, 1957, p. 140
pneumonia, primary *(Katz), March, 1957, p. 94
pneumonia, varicella (tip), June, 1957, p. 122
CHILDREN: See also Infants
death of a child, effects of (tip), March, 1957, p. 143
fecal impaction, chronic (tip), March, 1957, p. 135
fever, bed rest for (tip), January, 1957, p. 113
"late talkers" (tip), February, 1957, p. 137
urticaria in childhood (tip), March, 1957, p. 143
CHLORPROMAZINE: See also Ataractic Drugs
complications of chlorpromazine and reserpine therapy *(Hussar), May, 1957, p. 85
CHOLESTEROL, SERUM
hypercholesterolemia in healthy young adults (tip), June, 1957, p. 131
hypercholesterolemia, sitosterol in (tip), February, 1957, p. 144
CHYLOTHORAX, nonoperative treatment of (tip), February, 1957, p. 138
COCCIDIOIDOMYCOSIS, PULMONARY, residual lesions of *(Katz), February, 1957, p. 107
COLDS
bioflavonoids, uselessness of (ed), June, 1957, p. 69
COLOBOMA, significance of (info pl), March, 1957, p. 134
COLON
colectomy, total, one-stage (tip), March, 1957, p. 140
diverticulitis and carcinoma (tip), March, 1957, p. 144
COMMUNITY recovers, a (ed), April, 1957, p. 69
CONTRACTURE, Volkmann's ischemic (tip), April, 1957, p. 128
CONVULSIONS in elderly man (info pl), May, 1957, p. 125
COOKERY, LOW FAT, controlling obesity with *(Stead & Warren), May, 1957, p. 98
CORTISONE
hyperglycemia due to (info pl), February, 1957, p. 136
COSTOCHONDRITIS (Tietze's Syndrome), cause of chest pain (info pl), February, 1957, p. 136
CRURAL ISCHEMIA (tip), June, 1957, p. 132
CYCLOSERINE, convulsive effect of (tip), May, 1957, p. 128

D

DIABETES MELLITUS
diagnosis in the absence of glycosuria (info pl), June, 1957, p. 120
hyperglycemia due to cortisone (info pl), February, 1957, p. 136
juvenile diabetes (tip), June, 1957, p. 130
office management of *(Ranke), June, 1957, p. 85
surgery for tuberculous diabetics (tip), June, 1957, p. 124
DIONOSIL: See Bronchography
DUPUYTREN'S CONTRACTURE: See Palmar Fascia

E

EAR
external canal, atresia (tip), March, 1957, p. 136
ECONOMICS
community recovers, a (ed), April, 1957, p. 69
Jenkins-Keogh plan, for the forgotten ten million (ed), March, 1957, p. 71
wanted: economy (ed), June, 1957, p. 72
ECONOMICS, MEDICAL
costs of medical care (ed), May, 1957, p. 71
taxes, depreciating medical equipment for (Cahal), March, 1957, p. 145
troubles with thoroughness (ed), June, 1957, p. 70
EDUCATION, MEDICAL
art and science (ed), May, 1957, p. 70
career choices by medical students (a time for revi-

sion) (ed), April, 1957, p. 71
federal aid, how much? (Lamme), April, 1957, p. 133
foreign trainee, the (ed), February, 1957, p. 70
general practice; working together is success (ed), February, 1957, p. 71
money for education (ed), February, 1957, p. 69
of mutual interest (ed), January, 1957, p. 72
surgical training for the practicing physician (Thorpe), March, 1957, p. 147
troubles with thoroughness (ed), June, 1957, p. 70
EMBOLISM, FAT
pathogenesis (tip), March, 1957, p. 137
EMBOLISM, PULMONARY
fate of pulmonary emboli, the (ed), April, 1957, p. 72
EMERGENCY MEDICAL CARE CARD, June, 1957, p. 138
EMPHYSEMA, PULMONARY
peptic ulcer and (tip), January, 1957, p. 117
ENCEPHALOMYELITIS, benign myalgic (Iceland Disease) (tip), March, 1957, p. 135
ENDOCARDITIS, BACTERIAL
diagnosis of (tip), June, 1957, p. 127
healed unrecognized (tip), June, 1957, p. 132
organisms causing, antibiotics and (tip), January, 1957, p. 115
ENTERITIS
salmonella enteritis (tip), April, 1957, p. 126
staphylococcal enteritis, chronic in infants (tip), May, 1957, p. 127
ENTEROCOLITIS: See Intestine
ENZYMES, SERUM: See specific enzymes
ESOPHAGITIS, idiopathic ulcerative (tip), May, 1957, p. 128
ESOPHAGUS
perforation of (tip), June, 1957, p. 125
stricture due to Clinitest (tip), April, 1957, p. 132
stricture of terminal part (tip), June, 1957, p. 129
stricture, prevention with cortisone (tip), February, 1957, p. 143
varices, ligation of (tip), May, 1957, p. 132
EYE
oculoglandular syndrome, Parinaud's (tip), January, 1957, p. 111
EYEBALL BRUITS (tip), February, 1957, p. 144

F

FECAL IMPACTION
chronic, in children (tip), March, 1957, p. 135
FEVER
treatment, bed rest for children (tip), January, 1957, p. 113
FINGERS
sarcoma, post-radiation (tip), January, 1957, p. 118
trigger finger *(Lipscomb), April, 1957, p. 101
FLUORIDATION OF WATER: See Water
FRENOTOMY, need for (info pl), June, 1957, p. 120
FUTURE
challenge of the future, the *(Dowling), January 1957, p. 75
walls of Troy, the (ed), January, 1957, p. 70

G

GALLBLADDER
acalculous disease (tip), March, 1957, p. 138
GASTROENTEROSTOMY, hemorrhage following (tip), April, 1957, p. 124
GENERAL PRACTICE
definition of general practice (ed), April, 1957, p. 69
education for; working together is success (ed), February, 1957, p. 71
Oakwood Hospital's department (Hickey), January, 1957, p. 131
psychiatry and general practice (ed), June, 1957, p. 71
residencies, Academy recommendations on, April, 1957, p. 141
surgeon's insight, a (ed), June, 1957, p. 71
survey of general practice (ed), June, 1957, p. 69
survey of general practice, comments on (Rittelmeyer), June, 1957, p. 133
GLOMERULONEPHRITIS, ACUTE
dangers of Diamox (info pl), January, 1957, p. 119
GLOMERULONEPHRITIS, CHRONIC
dangers of Diamox (info pl), January, 1957, p. 119
GOITER, NODULAR
frequency of nodules (tip), April, 1957, p. 131
GOITER, TOXIC
heart disease, thyroid (tip), June, 1957, p. 125
GONORRHEA
need for syphilis prophylaxis in the treatment of acute gonorrhea (helpful hint) (Reiches), March, 1957, p. 101
GP QUIZ, January, 1957, p. 121
GYNECOLOGY: See Pelvis

H

HAIR, removal of (info pl), June, 1957, p. 119
HEADACHE
"histamine" headache (info pl), March, 1957, p. 133
HEART
disease and syncope (tip), March, 1957, p. 142
Disease, Congenital
shunts, left-to-right (tip), March, 1957, p. 139

disease, thyroid (tip), June, 1957, p. 125
wounds, management of (tip), April, 1957, p. 124
HEMANGIOMA
strawberry nevus of infancy (tip), April, 1957, p. 123
HEMIPLEGIA
rehabilitation of the hemiplegic (info pl), April, 1957, p. 120
HEMOGLOBINS, abnormal (tip), June, 1957, p. 122
HEMOPHILIA
surgery in hemophiliacs (tip), April, 1957, p. 127
HEMORRHAGE
blood loss, evaluation of *(Baroody & Baroody), January, 1957, p. 96
HEPARIN
hyperheparinemia (tip), April, 1957, p. 123
HERNIA, HIATUS, in pregnancy (tip), March, 1957, p. 141
HIP JOINT
ligamentum teres, vascularity of (tip), May, 1957, p. 130
HODGKIN'S DISEASE: See Lymphomas
HOSPITALS
accreditation problems (Babcock), April, 1957, p. 139
hospitals and hypertension (ed), March, 1957, p. 69
medical staff fundamentals (Babcock), March, 1957, p. 154
HYPERGLYCEMIA, due to cortisone (info pl), February, 1957, p.136
HYPERTENSION, ARTERIAL
ocular manifestations of hypertension *(Lockhart), April, 1957, p. 82
serotonin and hypertension (tip), January, 1957, p. 111
treatment of the ambulatory patient with hypertension *(Moyer), February, 1957, p. 109
treatment, effect on kidneys (tip), April, 1957, p. 122
treatment of hypertensive emergencies *(Moyer), March, 1957, p. 105
unilateral nephrectomy in (tip), June, 1957, p. 127
HYPOGAMMAGLOBULINEMIA and tuberculosis (tip), June, 1957, p. 124
HYPOTENSION, POSTURAL (info pl), June, 1957, p. 119

I

ICELAND DISEASE (tip), March, 1957, p. 135
IMMUNIZATION
fresh coat of paint, a (ed), January, 1957, p. 72
INFANTS: See also Children
arteriosclerosis, infantile (tip), February, 1957, p. 138
enteritis, chronic staphylococcal (tip), May, 1957, p. 127
pneumothorax, spontaneous, in newborn (tip), April, 1957, p. 132
strawberry nevus (tip), April, 1957, p. 123
unexpected death in infants (tip), May, 1957, p. 127
xanthomas in an infant (info pl), April 1957, p. 120
INFLUENZA, diagnosis (info pl), April, 1957, p. 119
INSOMNIA (ed), April, 1957, p. 70
INSURANCE, MEDICAL CARE
new plans for older people (Follmann), January, 1957, p. 128
INTERVERTEBRAL DISK SYNDROME
epidural anesthesia for excision of lumbar disk (tip), June, 1957, p. 128
INTESTINAL OBSTRUCTION in acute pancreatitis (tip), April, 1957, p. 131
INTESTINE
absorption, studies of (tip), May, 1957, p. 132
enterocolitis, pseudomembranous (tip), January, 1957, p. 117
IODISM
"mumps," iodide (tip), February, 1957, p. 144
ISONIAZID, allergy to (tip), June, 1957, p. 124

J

JAUNDICE
bilirubin determination (tip), May, 1957, p. 130
JAW-WINKING (tip), June, 1957, p. 129
JENKINS-KEOGH PLAN: See Economics

K

KERATOCONJUNCTIVITIS, EPIDEMIC ("Shipyard eye") (tip), April, 1957, p. 122
KIDNEYS: See also Urinary Tract and under specific disorders
potassium depletion, nephropathy of (tip), January, 1957, p. 109
renal effects of treatment of hypertension (tip), April, 1957, p. 122
renal failure, treatment, artificial dialysis *(Morris & Moyer), April, 1957, p. 103

L

LAB REPORT *(Gilston), June, 1957, p. 84
LABOR
premature labor, factors in the prevention of *(Nesbitt), April, 1957, p. 87
LACTIC DEHYDROGENASE, SERUM
in myocardial infarction (tip), April, 1957, p. 126
values in diseases (tip), April, 1957, p. 122

LARYNX
carcinoma, multiple respiratory (tip), March, 1957, p. 142
LEGISLATION, overdue (Kemp), February, 1957, p. 157
LEISHMANIASIS, CUTANEOUS (tip), May, 1957, p. 128
LEUKEMIAS
chronic lymphocytic (tip), March, 1957, p. 141
hyperuricemia in (tip), February, 1957, p. 145
LEUKOPLAKIA of mouth, treatment (info pl), March, 1957, p. 134
LIGAMENTUM TERES, vascularity of (tip), May, 1957, p. 130
LIPID (PLASMA) MOBILIZING FACTOR (tip), April, 1957, p. 132
LIVER: See also Jaundice
calcification, causes (tip), March, 1957, p. 139
Cirrhosis
juvenile cirrhosis, pulmonary arteriovenous fistulas in (tip), March, 1957, p. 136
portacaval shunt, stupor following (tip), May, 1957, p. 133
LUNGS
arteriovenous fistulas in juvenile cirrhosis (tip), March, 1957, p. 136
cancer in women (ed), May, 1957, p. 72
cancer, surgery for (tip), January, 1957, p. 116
carcinoma, bronchogenic, multicentric (tip), January, 1957, p. 112
carcinomas, multiple respiratory (tip), March, 1957, p. 142
coccidioidomycosis: See Coccidioidomycosis Pulmonary
metastases from malignant neoplasms (tip), January, 1957, p. 116
nodule, solitary, calcification within (tip), February, 1957, p. 146
LUPUS ERYTHEMATOSUS DISSEMINATUS
L.E. cells in miliary tuberculosis (tip), March, 1957, p. 138
LYMPH NODES
tuberculosis of (tip), March, 1957, p. 142
LYMPHOMAS
Hodgkin's disease, treatment, CB 1348 (tip), January, 1957, p. 112
Hodgkin's paragranuloma (tip), March, 1957, p. 138

M

MARRIAGE
cupid and caduceus (Mathews), February, 1957, p. 155
MEDICAL PRACTICE
committee on medical practices: progress report, February, 1957, p. 147
consultations, modern concepts in referrals (Lamme), March, 1957, p. 150
consultations, time well spent (ed), March, 1957, p. 70
specialization, the challenge of (ed), May, 1957, p. 69
MENTAL DISORDERS
Mongolism, fingerprints in (tip), April, 1957, p. 121
MEPROBAMATE ADDICTION (ed), May, 1957, p. 69
METROPOLITAN LIFE (ed), May, 1957, p. 72
MONGOLISM, fingerprints in (tip), April, 1957, p. 121
MORPHINE, tolerance to (tip), April, 1957, p. 121
MOUTH
leukoplakia, treatment (info pl), March, 1957, p. 134
MUMPS: See Salivary Glands
MUSTARD GAS, effects of (info pl), May, 1957, p. 126
MUTATION
prospect for mutation (ed), January, 1957, p. 73
MYOCARDIAL INFARCTION: See Arteries, Coronary

N

NEPHROSIS, hypoproteinemia in (tip), June, 1957, p. 122

O

OBESITY
and myocardial infarction (tip), March, 1957, p. 136
controlling obesity with low fat cookery *(Stead & Warren), May, 1957, p. 98
OBSTETRICS: See also Pregnancy
analgesia (info pl), May, 1957, p. 125
hemorrhagic disorders of pregnancy and parturition *(Ratnoff), January, 1957, p. 88
OPIATES, sensitivity to (info pl), May, 1957, p. 126
OVARY
carcinoma, primary (tip), January, 1957, p. 116
removal at hysterectomy (info pl), February, 1957, p. 135
OZONE POISONING (tip), January, 1957, p. 110

P

PALMAR FASCIA
contracture, Dupuytren's (tip), March, 1957, p. 142
PANCREATITIS, ACUTE
intestinal obstruction (tip), April, 1957, p. 130
relationship of collagens to (tip), February, 1957, p. 138
PAROTID GLAND: See Salivary Glands
PATIENTS, HOW TO EXPLAIN TO
about parent-child relationship (Segal), May, 1957, p. 93

editorial, April, 1957, p. 69
surgical operations (Ferguson), April, 1957, p. 79
PEDIATRICS: See also Children; Infants
venipuncture in pediatrics, the *(Centerwall), February, 1957, p. 74
PELVIS
exenteration, results of (tip), February, 1957, p. 137
PENICILLIN
intramuscular injections, dangers (info pl), June, 1957, p. 120
mode of action of penicillin (ed), May, 1957, p. 70
PEPTIC ULCER
activation of (tip), April, 1957, p. 122
and pulmonary emphysema (tip), January, 1957, p. 117
due to cortisone (info pl), April, 1957, p. 120
experimental, following choledochojejunostomy (tip), January, 1957, p. 110
hemorrhage from (tip), April, 1957, p. 126
pregnancy and (tip), June, 1957, p. 126
PERICARDITIS, IDIOPATHIC (tip), April, 1957, p. 126
PERICARDIUM: See also Pericarditis
calcification due to talc (tip), April, 1957, p. 124
PERSONALITIES (In the Medical News)
Anderson, Cyrus W., May, 1957, p. 34

Wilson, Edward Foss, April, 1957, p. 34
PHARYNGITIS
bacterial pharyngitis and antibiotics *(Jackson), March, 1957, p. 75
PHEOCHROMOCYTOMA, tests for (info pl), February, 1957, p. 135
PITUITARY
tumor, blood group frequency and (tip), April, 1957, p. 125
PLACEBO CONTROL in therapeutic research (tip), June, 1957, p. 121
PLACENTA, premature separation of (tip), February, 1957, p. 138
PLASMA, BLOOD
safety of stored liquid plasma (tip), February, 1957, p. 142
PLEURA
pleural fluid, shifting *(Katz), May, 1957, p. 97
PNEUMONIA
chickenpox, primary (tip), February, 1957, p. 140
staphylococcal, postoperative (tip), April, 1957, p. 124
varicella (chickenpox) (tip), June, 1957, p. 122
"viral," treatment (info pl), June, 1957, p. 120
PNEUMOTHORAX, SPONTANEOUS in newborn (tip), April, 1957, p. 132
POISONINGS
prevention of (ed), March, 1957, p. 73
POLIOMYELITIS
athletics following (info pl), March, 1957, p. 133
in pregnancy (tip), January, 1957, p. 112
mass inoculation of the Salk polio vaccine with the multiple dose jet injector *(Hingson, Davis, Bloomfield & Brailey), May, 1957, p. 94
polio vaccination—side issues (ed), January, 1957, p. 69
report from Hawaii (ed), January, 1957, p. 71
vaccination; allergic reaction to the Salk poliomyelitis vaccine *(Lipman), February, 1957, p. 94
PORPHYRINS *(Rose), February, 1957, p. 99
PORPHYRINURIA, significance of (info pl), January, 1957, p. 119
PORTACAVAL SHUNT, stupor following (tip), May, 1957, p. 133
POTASSIUM DEFICIENCY, nephropathy of (tip), January, 1957, p. 109
PRACTICE: See General Practice; Medical Practice
PREGNANCY: See also Obstetrics
and peptic ulcer (tip), June, 1957, p. 126
breast cancer and (tip), February, 1957, p. 146
poliomyelitis in (tip), January, 1957, p. 112
PROCTOLOGY: See Rectum
PROCTOSCOPY: See Rectum
PROGRESS, problems of (ed), March, 1957, p. 69
PROTEIN, SERUM
measurements, differences in races (tip), February, 1957, p. 145
PSYCHIATRY and general practice (ed), June, 1957, p. 71
PUBERTY, precocious (info pl), June, 1957, p. 120
"PULSELESS DISEASE": See Aorta, aortic arch syndrome
PURPURA, THROMBOCYTOPENIC
due to quinidine (tip), January, 1957, p. 114
thrombotic thrombocytopenic purpura (tip), May, 1957, p. 128
thrombotic thrombocytopenic purpura, diagnosis (tip), June, 1957, p. 131

PYRIZINAMIDE, hyperuricemia from (tip), May, 1957, p. 128

Q

R

RADIATION INJURIES
fallout and fluoroscopy (Duffy) (ed), June, 1957, p. 73
RECTUM
proctoscopy and proctologic office procedures *(Fansler), February, 1957, p. 101
RESEARCH
hospitals and hypertension (ed), March, 1957, p. 69
placebo control in therapeutic research (tip), June, 1957, p. 121
RESPIRATION
artificial for two victims (tip), February, 1957, p. 143
RESPIRATORY SYSTEM: See also specific organs and diseases
postoperative care of the patient with a chronic respiratory disease *(Moore, Morgan & Yore), June, 1957, p. 74
viral infection (info pl), May, 1957, p. 126
RETIREMENT, preparation for (ed), March, 1957, p. 71
RETROLENTAL FIBROPLASIA (tip), February, 1957, p. 141
RHEUMATIC FEVER
incidence of in San Francisco (tip), April, 1957, p. 129
treatment, adrenal steroids (tip), April, 1957, p. 127
RUSSIAN MEDICINE TODAY
family doctor visits Russia, a (Smith), May, 1957, p. 140
science writer visits Russia, a (Taylor), May, 1957, p. 135

S

SALIVARY GLANDS
iodide "mumps" (tip), February, 1957, p. 144
SALMONELLA ENTERITIS (tip), April, 1957, p. 126
SARCOIDOSIS
muscle biopsy in (tip), June, 1957, p. 130
SCALENE NODE BIOPSY (tip), May, 1957, p. 129
SEROTONIN
excess, and hypertension (tip), January, 1957, p. 111
SERUM SICKNESS
electrocardiogram in (tip), February, 1957, p. 146
SHIPYARD EYE: See Keratoconjunctivitis
SITOSTEROL in hypercholesterolemia (tip), February, 1957, p. 144
SKIN
rash, puzzling (info pl), April, 1957, p. 119
SMALLPOX
is it smallpox? *(Rogers & Harmuth), June, 1957, p. 91
SPECIALIZATION: See Medical Practice
SPEECH DEFECTS
"late talkers" (tip), February, 1957, p. 137
SPINAL CORD
extradural hematoma (tip), June, 1957, p. 130
SPLEEN
infarction in sickle cell-C disease (tip), May, 1957, p. 129
splenic puncture, evaluation of (tip), May, 1957, p. 133
STAPHYLOCOCCI, chloramphenicol-resistant (tip), June, 157, p. 128
STEROIDS, ADRENAL: See also Adrenal Glands
steroids, newer anti-inflammatory: mechanisms of action and therapeutic indications *(Spurr, Curd & Moyer), May, 1957, p. 105
"STIFF-MAN" SYNDROME (tip), January, 1957, p. 113
STOMACH
carcinoma in identical twins (tip), April, 1957, p. 121
hemorrhage, salicylates and (tip), April, 1957, p. 131
lymphoma, primary (tip), January, 1957, p. 118
STRAWBERRY NEVUS: See Hemangioma
STREPTODUOCIN, ototoxicity from (tip), June, 1957, p. 128
SULFAMETHOXYPYRIDAZINE (tip), March, 1957, p. 140
SULFONAMIDES: See also specific types
spinal fluid concentrations of (tip), June, 1957, p. 128
sustained-release sulfonamide (tip), March, 1957, p. 139
SUPERIOR SULCUS TUMOR (Pancoast tumor) *(Katz), April, 1957, p. 93
SURGERY: See also under specific diseases, organs and operations
early postoperative discharge and home care *(Kron & Satinsky), March, 1957, p. 102
everyday hand skills of surgery *(Knott), May, 1957, p. 74
SURVEY OF GENERAL PRACTICE: See General Practice
SYNCOPE, and heart disease (tip), March, 1957, p. 142
SYPHILIS
need for syphilis prophylaxis in the treatment of acute gonorrhea (helpful hint) (Reiches), March, 1957, p. 101
treatment (info pl), May, 1957, p. 125

T

TATTOO, removal of (info pl), February, 1957, p. 135
TAXES
depreciating medical equipment for taxes (Cahal), March, 1957, p. 145
THALLASEMIA, splenectomy in (tip), April, 1957, p. 125
THERAPEUTICS
progress, problems of (ed), March, 1957, p. 69
THROMBOPHLEBITIS
post-thrombotic disability, vein resection in (tip), March, 1957, p. 144
THYROID GLAND: See Goiter
THYROIDITIS, SUBACUTE, treatment (tip), January, 1957, p. 114
